The Private Chernobyl Photo Tour gives you enough time in the places that matter to you

- Places that YOU want to see.
- No other photographers around. Only you, your camera and Chernobyl atmosphere!
- Taking an in-depth tour in Pripyat or around Chernobyl Power Plant?
- Not sure what to see? ChernobylPhoto will tailor the program so you will be able to see as many places as possible in the given time;
- See places that are not visited on standard tours.
- Choose your instructor.
- Chernobyl sunset or sunrise? Get out your camera and go for it!
- Visiting Chernobyl babushkas and having dinner with them? No probs!

The programme is subject to change based on the weather conditions and the administration of the zone. Entering buildings in Pripyat has been officially prohibited since April 2012.
